Dear Family, Your child is learning to edit his or her writing to correct mistakes in punctuation and spelling.
 Talk with your family about the most exciting thing that ever happened to you. You are going to write a story about it. What ideas do you want to include in your story?
How will you group your ideas?
 On another piece of paper, write a first draft using the ideas you listed. Remember to leave a blank line after each line you write. Ask your family to help you use this checklist to make your writing better:
Checklist of Writing
 Is my writing neat and easy to read? Does each sentence begin with a capital letter? Does each sentence end with a period or a question mark? Did I spell words correctly? Did I indent my paragraphs?
 Make any necessary changes and reread your writing to your family.
